(*Cross Division Week)

- The Schedule is subject to revision depending on inclement weather.
- In the event that there are any rainouts, that week's matchups schedule will ideally be revised so that you play each team within your division at least once. No promise of that though.

Upon completion of your match, please write your scores & points on the posterboard in the dining room.

August 4 will be Position Night. (Unless that week is needed as rain out of a required division night)

August 11, August 18 & August 25

- Playoffs will be for top 4 teams in each division. Details to follow on format & schedule.
- Regular league members that do not qualify for the playoffs are not eligible to sub during playoffs.

Rules for League Play are posted on the bulletin board. Please ask if you have questions.

Notice

In the past, we have had some league members that have failed to arrange for a sub in weeks they are absent which results in a forfeit. To compound this problem, the golf pro has not been notified that a sub has not been arranged. This is not fair to that week's opponents or to their own team.

For this reason, should a league member have three (3) or more forfeits during the 2025 season, they will be ineligible for the 2026 Men's League season.

If you have any questions, comments or rude remarks regarding this, please talk to Adam.

You are responsible for your own sub. Please let Adam know who will be subbing for you so that they can prepare scorecards with handicaps. Please do not ask the golf shop to find a sub for you.

2026 Dues are \$70.00, cash or check. Please pay directly to Mark Svec, or Adam in the clubhouse as soon as possible but no later than April 21, 2026.
