How can I stay informed about Golf Events and Golf Operations?

To ensure that ITCC members are kept updated of event dates, formats, hours of operation, etc., the following resources can be accessed:

1. Golf Program Book

The Golf Shop publishes this Golf Program Booklet which is available on our club website:

<https://www.indiantrailsclub.com/monthly-newsletter/>

This booklet contains important information on all club events that have been scheduled for the season. It is advised that our members access the website and print a copy of the Golf Program Book for reference throughout the season. The Golf Program Book will contain all event information, including dates, times, formats and eligibility.

2. Monthly Forecast Newsletter

The monthly “Forecast” includes more detailed information about what is upcoming, such as Hours of Operation, Upcoming Events, dates, times, and formats for all of our golf programs. ***The Forecast is our primary means of communication with our members.*** If members do not read the newsletter, they will miss out on key information. Our club newsletter is available on the club’s event bulletin board, on the website, and is emailed monthly to the membership.

3. Sign-Up Sheets

Each member event will have a sign-up sheet on the clubhouse bulletin board. The sign-up sheet will contain all information for that particular event: date, time, format, cost, pairing information (whether players form their own groups), etc.

4. Communicate directly with me

You can always communicate directly with me either by phone or e-mail regarding upcoming events, equipment needs or any questions regarding your club.

Indian Trails Country Club

Player and Course Etiquette

Golf is a game that is intended to be played by ladies and gentlemen. ITCC encourages all members and their guests to show pride in the game and in our golf course by treating others with respect and contributing to the daily upkeep and maintenance of the course.

Therefore, we ask all of our members and their guests to keep the following in mind so that their golf experience at ITCC will be second to none:

- Rake bunkers after hitting your shot.
- Repair all ball marks on the greens.
- Use sand/seed containers (when/where available) to fill in divots.
- Observe all golf cart signage and keep golf carts at least 30 feet from all greens.
- Keep golf carts on cart paths when cart paths are available.
- Always check in with the Golf Shop before starting your round.
- Please do not start your round from hole #10 without permission from the Golf Shop.
- Allow faster groups to “play through”. If the group behind is pushing you, please ask them to play through.

Thank you for your help and consideration in treating fellow members, guests, staff and our golf course with respect.

- **GENERAL GOLF RULES**

- All golfers must check in at the Golf Shop before beginning play.
- Play is governed by tee times. Tee times may be made online, in person or by calling the golf shop (402) 528-3404.

- Play will start from #1 Tee. Only with permission from the Golf Shop, golfers may start on #10 ***for a 9 hole round only***, and must take a look at #9 green to make sure they are not cutting in front of another group. (If you can see a group on hole #9, do not cut in front of them).
- All groups should finish 9 holes in 2 hours or less. Groups taking longer than 2 hours for 9 holes may be asked to increase their speed of play or skip holes to make up for the difference in time.
- Five-somes are allowed at ITCC but they must play in a timely manner. **Groups of 6 or larger are not permitted.**
- Players reporting late for their tee time will be rescheduled at the next available tee time. If your tee time is 1:00 p.m. and you have not teed off by 1:00 p.m. the next group will have priority.
- When weather causes termination of play, credits for greens and cart fees will be prorated by the number of holes played. There will be a 9- hole charge for between 4 and 12 holes played and an 18 hole charge for between 13 and 18 holes played. *It is the golfer's responsibility to let the Golf Shop know if play was discontinued in order to receive credit.*
- Fog/Frost delays do NOT move tee times back. Tee times lost to fog or frost are cancelled and must be rescheduled by the player.

If you are making a tee time in the spring or fall, allow for the possibility of a frost delay.

• **GOLF CART RULES AND INFORMATION**

- Privately owned carts stored at ITCC may only be driven by those members paying for said storage. ***Borrowing of member carts is not permitted. Members are not allowed to let others borrow their cart (exceptions are sometimes made for large tournaments/events).*** Anyone who is found to have borrowed a cart will be charged a cart fee from the golf shop and is subject to possible membership suspension.
- Each operator of an ITCC owned rental golf cart must be at least 16 years old and have a valid driver's license.
- Each driver is financially responsible for any damage incurred to rental carts or to any ITCC property.

- Carts should never be closer than 30 feet from any putting green. Please keep carts off all slopes around greens.

2026 LADIES GOLF LEAGUES

Ladies Senior Morning League

The Ladies Senior League is a 9-hole scramble. There is no need to sign-up in advance; teams are drawn each morning after all players have arrived. Members and non-members are welcome to play. There is a small fee each week which covers golf, cart use, prizes and lunch.

Shotgun start at 9:00 a.m. League play is every Tuesday morning beginning May 5th and continuing until September 29th, unless otherwise noted.

Ladies Wednesday Evening League

9 Hole Team League- This is a golf format that will provide a good mix of fun and competition. Members will sign up as 2-person teams. Teams will be playing a “1 Net Best Ball.” The 2-lady team concept was designed to allow ladies to play with their regular friends, but also allow them to socialize with the rest of the league members by being paired against a different 2-lady team each week. Additionally, if a team member cannot be present, the team can still compete by finding a sub, or even playing as a team of 1. By using the 1 Net Best Ball format, ladies can compete without being discouraged by a bad hole or two. This format reduces the pressure to “perform” a little, but it will give those wanting to post a good score a chance to compete.

9 Hole Individual League- The Individual league will be 1 on 1 matches. Win or lose, it’s all on you! 12 Points are up for grabs each match, 1 point is earned for each hole won and 3 points are earned for best total 9 hole score.

Cost:

The cost to play in the Ladies Wednesday Evening League is \$70.00 per player for the season, which covers the cost of your GHIN handicap for the season, end of year payouts and weekly flag prizes. All entry fee money is paid back out to the ladies league players.

Time:

Both leagues will shotgun start at 5:45PM.

Season Dates:

- First night: May 13th
- Fun Night: July 22nd
- Last Night: August 12th

Fall League

Fall League is open to men and women. The formats are fun, and do not “require” you to participate every week (we hope you will want to be there each week, but we understand this is not always possible). You sign up as a 2-person team. Each night of fall league will be a separate event with each team playing against the field. There will be a separate payout for each night. A Sign-Up Sheet for the Fall League will be posted on the bulletin board when the calendar gets close to fall.

Fall League will be played at 5:15 p.m. on Wednesday nights and will last 6 weeks, September 2nd through October 7th.

The deadline for Fall League sign-up will be August 31st

MENS GOLF LEAGUES

Men's Senior Morning League

Men's Senior League is a 9-hole scramble. There is no need to sign up in advance; teams are drawn after all players have arrived. Members and non-members are welcome to play. There is a small fee each week which covers golf, cart use, prizes and lunch.

Shotgun start at 9:00 a.m. League play is every Wednesday morning May 6th through September 30th, unless otherwise noted.

Men's Evening League

Don't miss out on the most popular competitive golf program at ITCC! The Men's Evening League sign-up sheet is posted on the golf shop bulletin board. You can sign up in person, by phone or by e-mail.

Dates & Starting Time:

We draw for teams April 7th and begin regular season league play on April 14th. We do a 5:00 p.m. shotgun start. If one of your team members can't make it, you may find a sub. Players are responsible for finding their own subs. *Please call the Golf Shop by noon on Tuesdays (528-3404) if your team has a substitute player so that we can make the necessary changes on the scorecard.*

Format:

4-Man teams consisting of an A, B, C, and D player compete each week. Teams will be selected by random draw at the Men's League Drawing night, Tuesday, April 7th. League dues are payable at that time to the men's league committee.

Scoring:

There are 12 points at stake for every 9 hole match of league play;

- 1 point per hole = 9 points for 9 holes.
- 3 points for low net 9 hole score.

After the match, one player from the group is responsible for returning the scorecard to the golf shop. It should be completely filled out with the correct score and points awarded for each player. You will need to record your score and points on the Men's League Bulletin Board score sheet.

Forfeiture of points or match: If a player is a no-show, they forfeit 9 points to their opponent.

If they arrive late (meaning their group has teed off their starting hole) the player will then forfeit that hole and record a score of 1 net stroke higher than his opponent.

Handicap Reporting:

The Golf Shop will post your 9 hole league scores into the GHIN system.

Cost:

League dues (amount yet to be determined) will be paid directly to the men's league committee on or before the first night of league play. Cash or check only please. Debit or credit cards cannot be accepted.

Fall League

Fall League is open to men and women. The formats are fun, and do not “require” you to participate every week (we hope you will want to be there each week, but we understand this is not always possible). You sign up as a 2-person team. Each night of fall league will be a separate event with each team playing against the field. There will be a separate payout for each night. A Sign-Up Sheet for the Fall League will be posted on the bulletin board when the calendar gets close to fall.

Fall League will be played at 5:15 p.m. on Wednesday nights and will last 6 weeks, September 2nd through October 7th.

The deadline for Fall League sign-up will be August 31st

COUPLES NIGHT OUT GOLF 2026
